FROM THE AMERICAN PEOPLE

**Employment Opportunity**  
CCNPSC Announcement #07/01

The United States Agency for International Development is recruiting 02 Vietnamese to fill the following TEMPORARY Positions at USAID/Vietnam Country Health and HIV/AIDS Program Office, Hanoi:

**TEMPORARY POSITIONS:**

**These are temporary positions, valid from April 2, 2007 to August 31, 2007.**

**1. HIV/AIDS Project Management Specialist. Position Grade level: FSN-10**

**Minimum Qualifications:** Possession of a University/College Degree in the field of Social Work, Education, Public Health, Nursing, Medicine, Health Sciences & Administration or a related field is required. Possession of an advanced Degree (Masters, PHD, or MD) in a public health, social work, education or related field is preferred. The incumbent is required to have worked for a minimum of 2 to 3 years in progressively more responsible positions in the field of public health and/or development with at least 1 year of this experience with an international/local organization, donor or U.S Government Agency being a plus. Prior experience and technical or policy-related knowledge in some combination of HIV/AIDS, health policy, project management, and commodities procurement/logistics are required. A comprehensive knowledge of the concepts, principles, techniques and practices of HIV/AIDS and the strategies most effective in HIV/AIDS prevention, care and support and monitoring and evaluation is required. Knowledge and understanding of Vietnam's health system, especially the public health sector, and the appropriate government and non-government entities are critical to the successful performance of the duties assigned to this position and therefore, required. Practical knowledge of health services, health sector reform, and the international/national/local health response in Vietnam is required. Level IV, strong written and oral proficiency in English, is required.

**2. HIV/AIDS Care and Treatment Specialist. Position Grade level: FSN-11**

**Minimum Qualifications:** The incumbent should possess a University/College Degree in the field of Medicine or Nursing with clinical background. An advanced Degree (Masters, PHD) in a public health related discipline is highly preferred. A minimum of 2 to 3 years of professional experience in the field of public health or management of development project with at least 1 year of experience working in technical oversight, design and implementation of HIV/AIDS care and treatment programs is required. Prior work experience with a U.S. Government Agency or other international organization or donor would be advantageous. A comprehensive knowledge of the concepts, principles, techniques and practices of HIV/AIDS prevention, care, treatment and support program is required. Specialized knowledge and demonstrated expertise in the area of HIV treatment and care, including ARV therapy, treatment and prevention of opportunistic infections; knowledge of clinical, ethical, policy and trade issues involved in HIV/AIDS programming is required. Knowledge and understanding of the Vietnam health system, especially the public health sector, and the appropriate government and non-government entities are critical to the successful performance of the duties assigned to this position and therefore, required. Level V, strong written and oral proficiency in English, is required.

**Salary:** Salary and benefits will comply with the U.S. Mission's Local Compensation Plan and Benefits Package. Salary Range is commensurate with salary history, qualifications and relevant work experience of the applicant.

**To apply:** All interested candidates may obtain an application package, which includes Position Announcement, Detailed Position Description and Employment Application Form (OF-174), at USAID office, 15<sup>th</sup> Floor, Tung Shing Building, 2 Ngo Quyen Street, Hanoi, Vietnam - *or* - candidates may download the application package from the following website: <http://hanoi.usembassy.gov/usaaid.html>

Completed application, which includes Employment Application Form (OF-174); application letter; curriculum vitae; copy of education certificates, can be sent by mail to or dropped at USAID office at the above-mentioned address.

**Deadline:** February 15, 2007. All applications must be received by the closing date to receive consideration.

**Only applicants who have been short-listed by the Selection Committee will be contacted, either by telephone or email.**
